BALANCING ACT
If you overpronate—meaning your feet roll in too much when you walk—try the **Orthaheel Tide** (\$60; orthaheelusa.com). A deep heel cup and motion-control footbed encourage proper alignment.

ECO-FRIENDLY
The recyclable **Okabashi O** (\$20; okabashi.com) provides excellent arch support and massaging beads. Bonus: sandals get primy, you get...

SHAPE

AUGUST 2012

Shape Magazine recommends Orthaheel's Tide sandals as a flip-flop to "Feel Good" in.
